Encolpius decides not to reveal Giton's identity, but he and the poet fall into rivalry over the boy 93—94.

The Golden Ass

In the introduction to his translation of The Golden Ass, Jack Lindsay writes: Let us glance at some of the details of Apuleius' style and it will become clear that English translators have not even tried to preserve and carry over the least tincture of his manner. The surviving portions of the text detail the misadventures of the narrator, Encolpius, and his lover, a handsome sixteen-year-old servant boy named Giton.

Soon after, the Galli are accosted by an armed troop who accuse them of stealing from their village temple, and are subsequently detained with the treasures returned.

Satyricon

The bibliography is disappointing in both range and accuracy. He warns Eumolpus that, because the wealth he claims to have has not appeared, the patience of the legacy-hunters is running out. American composer James Nathaniel Holland adapted the story and wrote music for the ballet, *The Satyricon*.

The *Satyricon* is an example of Menippean satire, which is very different from the formal verse satire of Juvenal or Horace. Psyche is left on the mountain, and carried away by a gentle wind.

Satyricon

An operatic production of *The Golden Ass* also appears as a plot device in Davies's novel 1958.
