organizations; the valley had fun-loving, hardworking and Catholics who enjoyed drinking and dancing; and the valley had atheist Germans descended from intellectual political refugees. Located between the Great Plains, Eastern Woodlands, and present-day Arizona and New Mexico, Caddos were in an ideal location to trade with tribes all over the continent. Southern Black Leaders of the Reconstruction Era 1982 pp 363—92.

### Early East Texas: A History From Indian Settlements to Statehood

Sound Historian: Journal of the Texas Oral History Association. Toward the end of the 19th century, timber became an important industry in Texas as well. Under , the state turned its attention toward corporations violating the state monopoly laws.

### Early Texas Settlers 1700s

Spanish missions within the boundaries of what is now the state of Texas. They were influenced by the , which had major sites throughout the Mississippi basin. Peace between the Spanish and Comanche lasted 30 years.

### History of Texas

In terms of governance, the Comanche were nearly independent but allied bands with a loosely hierarchical social organization within bands. Caddos living in East Texas and Jumanos living in West Texas were both farmers and traders who developed wide-ranging trade networks and relationships with other American Indian tribal groups and Europeans. Other stated reasons included court-ordered redistricting and the demographic shift in relation to the that favored the Republican Party and conservatism.
