## New Book Display: Health Law

The Minnesota Commission of Public Safety finds and declares: That it is necessary and proper for the Commission to provide a method 126 by which Minnesota citizens who will be absent because they are engaged in the military or naval service of the United States, whether within or without the territorial limits of the United States, may participate in the coming general election, 1 to the end that the public safety at home may be thereby subserved, 2 as a matter of military expediency, s in order that our men under arms may have the comfort of realizing that even while they are away, they are still members of their several communities and entitled and expected to exercise all the privileges of citizenship. Minnesota stands high among them in its peace time contributions to the volume of commodities in the pro- duction of which other states share. This young patient with a history of allergic bron- chitis had been given penicillin G by mouth as an out-patient because of the clinical diagnosis of pneumonia.

## Law for Canadian Health Care Administrators, 3rd Edition

A three-week trial, however, resulted in a guilty verdict and a ten-year prison sentence.

## E.M. v. Reed, [2000] O.T.C. 896 (SupCt)

HIROC sought a way to link its legal costs to case volumes as opposed to the traditional approach of hours spent.
