It took two years to shape and get it published. The guy who made the weight chart and I'm sure it was a guy didn't go to my school, though. I learned after reading the book that it is the 2nd book in the Breathing Underwater series which would explain little character description in the beginning, however Alex Flinn did a great job and I easily understood the characters.

They get invited to book fairs and literary festivals, where they even get mobbed.

## The diva is now a writer

She makes it seem like its too easy to get over a situation like that. So if any of those descriptions scare you, you might end up hating it. I recently saw the movie version of this book and switched it off half way through, not because it was bad but because I was so excited by the style and content that I simply had to read the book first.
