## Dark Universe Writes

October is awesome and appropriate for all things horror, but for those of us with an appetite for horror year-round, we need a little something to get us through the rest of the year.

## A Collection of Favorite Short Stories

He whistled as he ducked through the hole. Arriving at the height of MeToo, it begins with 20-year-old Margot embarking on the early stages of flirtation with an older man, Robert.

**Ryne Douglas Pearson**

There are lots of dark net websites which support this idea and darknet ensures that these like minded people talk to each other. Each story demonstrates a unique immigrant experience as characters move between cultures, countries, relationships, memories, and emotions.
