E. B. Endres

Abstract: This book outlines a practice model which gives expression to the social work perspective on human problems. I have found that they work closely with our clients to assure total customer satisfaction.

Architectural Millwork

Heath employee for their tireless work in making this fantastic store come to life.

Casework Theory

Since the founding of our company by Edward Boston Endres in 1928, we have helped legions of business and homeowners across the region obtain the customized cabinets and related products that meet their requirements from both a functional and aesthetic perspective. The owner, Roger visited the construction daily and if he saw anything that he wasn't satisfied with, he would re-do the work himself only happened twice.

Beyond Casework

They were always very professional and courteous. We build to specifications from major retailers as well as providing design services to start up companies.
