How to Deal With Loneliness When Single and Living Alone

And the unmarried or betrothed woman is anxious about the things of the Lord, how to be holy in body and spirit. Maybe you have never paid a bill or balanced a checking account.

Nine Myths About Living Alone

People who live alone feel bored most of the time and to they need to spend most of their time with friends and family so that they can get rid of boredom in their life. Finally, if you want another positive way to improve your life, then read and learn something new every day. Why not take this time to focus on one or two aspects of your life that you have wanted to improve? Eric Klinenberg, a sociologist, spent seven years conducting interviews that reveal a startling change: In 1950, 22 percent of American adults were single, four million of them lived alone and they made up a paltry 9 percent of households.
