Some Document Or Some Documents?

With a digital document management system, you can easily organize all of your documents. But beyond knowing where your documents are, there are some documents, like social security information or tax returns, which can be just as tempting to a burglar as your big screen TV or your electronics. In these cases, the documents presented together count as one List A document.

Some Document Or Some Documents?

On the other hand, if my wife hands me a piece of paper that says 'Buy milk, eggs', that would not be called a document. Also available in ISKO Encyclopedia of Knowledge Organization, ed.
