## Lymphocytic colitis

Department of Health and Human Services indicates that approximately 63-million Americans experience it.

## Does Having Crohn's Disease or Colitis Affect My Risk of Getting Colon Cancer?

Problems in this part of the body are common, but people are often embarrassed to seek help. We strongly recommend that you talk with a trusted healthcare provider before choosing to participate in any clinical study. It is not intended to be and should not be interpreted as medical advice or a diagnosis of any health or fitness problem, condition or disease; or a recommendation for a specific test, doctor, care provider, procedure, treatment plan, product, or course of action.
