The Sinking of Shokaku

We discuss these sources, and their likely impact below. By 1330 the fires on Shokaku were growing much worse and flames began spouting from the flight deck and elevator wells and could be seen from the other ships.

Shinei no Oka Tenbo Koen (Biei)

Those lessons now came into play and by early afternoon there seemed cause for hope. What is the symbolic significance of the Japanese translations of Robinson Crusoe in Chapter 26? Significantly, Tsuneyoshi sees his very existence as being the result of a loveless sexual encounter. Immediately some of the just-landed and fueling aircraft in the hangar exploded into flames, and the pressure of the detonation lifted the elevators 90 centimeters nearly three feet.

Okuoi

To summarize, Tsuneyoshi has no opportunities for a normal sexual relationship.

Okuoi

Their rumblings continued for many seconds, and Cavalla's company realized they were not depth charges or bombs, but explosions on the target. He often hits his son to discipline him, but Tsuneyoshi thinks that his father is just sexually frustrated. This presents a definite discrepancy between American accounts and the meager surviving details from the Japanese point of view.
