I don't recommend this for a clinician at all. Nothing of the kind: it is carried by the wind from the direction of the Caspian Sea. ABOUT THE SERIES: The Very Short Introductions series from Oxford University Press contains hundreds of titles in almost every subject area.

Medical Ethics: A Very Short Introduction (2nd edition)

Gutting presents a comprehensive but non-systematic treatment of some highlights of Foucault's life and thought. The story of medical ethics begins before conception. In applying such guidelines to a particular situation some interpretation is needed.
