The Batterie allemande near Bayeux in Normandy is a well-preserved German coastal defense battery with four guns used on D-Day still in place.

Marine Küsten Batterie Longues

It was manned by around 180 German soldiers.

German Battery of Longues

Longues-sur-Mer on D-Day In the week prior to D-Day, the allies dropped well over 1,500 bombs on the German battery at Longues-sur-Mer many, if not most, missed the actual site.

The German battery at Longues

The view from the firing command post, dug into the cliff, offers a vast panorama over the Bay of the Seine.
