Ludwig Wittgenstein a Memoir

My typical feeling was that I could not bear to see him again for some days. The meaning of a chess piece is not determined by its physical appearance, rather it is determined by the rules of chess.

Letters from Ludwig Wittgenstein with a Memoir by Paul Engelmann

The volume also features a concise biographical sketch by another leading philosopher who was a friend of Wittgenstein, Georg Henrik von Wright. Instead, he suggested manual labor. Black buckram covered boards, bronze stamped initials at spine, corners straight, shows light to moderate shelf wear and rubbing to covers, corners, edges and head and tail of spine.

Ludwig Wittgenstein : a memoir. With a biographical sketch / by G. H. von Wright. : Malcolm, Norman : Free Download, Borrow, and Streaming : Internet Archive

By 1912 had become convinced that Wittgenstein possessed a genius which should be directed towards mathematical philosophy. The impression was of a tremendous concentration. It was as if Malcolm had learned nothing from their talks.

Ludwig Wittgenstein: A Memoir / Edition 2 by Norman Malcolm

I don't know why a headline is required A superb biography of Ludwig Wittgenstein, written by his long-term friend, Norman Malcolm

Ludwig Wittgenstein: A Memoir by Norman Malcolm

Having not read any works by Wittgenstein, I am both eager and nervous to read the Tractatus and the Investigations.

LUDWIG WITTGENSTEIN A Memoir: Malcolm, Norman: satis.farmjournal.com: Books

His wife told him, 'Don't worry, I'm sure they'll like it. Thus, for the verification principle: If you do not understand a statement and have no verification for it, that is useful information and you understand the statement better because of it.

LUDWIG WITTGENSTEIN A Memoir: Malcolm, Norman: satis.farmjournal.com: Books

If Moore died in the process, so be it. Wittgenstein nods, then stops and says, 'My mind is getting stupider and stupider! On the one hand, I am convinced by this memoir that the philosophical problems with which Wittgenstein grappled must have been meaningful, or else an intellect of his caliber would never have been so monomaniacally resolved to pursue them.

Ludwig Wittgenstein: A Memoir by Norman Malcolm

But the author of the Philosophical Investigations had no ancestors in philosophy. I said he was mad, and he said God preserve him from sanity. And the challenges of a philosopher in facing everyday life could not have been referenced more subtly.
