### **Boston Adventure by Jean Stafford**

The urban adventure guys were very friendly and gave us directions as we headed off to our next stop. Each character is viewed from multiple angles.

### **Boston Tour Hub**

Years pass, and Sonie—now the caretaker of her fragile mother—receives an invitation from Miss Pride to move to Beacon Hill and be her personal secretary. Just enter your info into our request form, and let us know how we can give you your own perfect Urban Adventure. This is one of those books that as I look back on it, there doesn't seem to have been enough plot to fill 500+ pages.

### **Boston Adventure**

Thanks everyone we had a blast!!!! Though fashions have changed and manners have shifted, we can understand what Sonie feels as she gazes at the State House dome, or wends her way through the Granary Burying Ground.

### **Boston Explorers adventure at Northeastern**

In Boston, Sonie does come to know a new and broader world, one in which she mingles with both blue bloods and louche European refugees, and yet her troubles, she discovers, are hardly over.

### **Almost 80 Years Later, The City In Author Jean Stafford's 'Boston Adventure' Is Still Familiar**

Sonie Marburg is a notable protagonist: brave, intelligent, foolish, and insecure.

### **Almost 80 Years Later, The City In Author Jean Stafford's 'Boston Adventure' Is Still Familiar**

The lead heroine is one of the greats.
