Transients and the unemployed were treated like criminals.

Deutschlandfunk

The lives of both dwarves would be greatly imperiled if it were not for their usefulness as entertainers, for as long as they entertain the Nazis they can escape from being classified as Ballastexistenzen, ballast life. Their desire to make themselves useful reflects how eager they are to become part of society, since not participating in the banquet means death. Through his own fault Jakob is taken out into the world and has to learn the lesson of resisting the temptation to ridicule people because of their bodies before he can return to his parents as a beautiful son.

Yet everyone becomes guilty in this family, most of all Oskar himself. The term that the Nazis created was Gesundheitspflicht the duty to stay healthy. His blacking out of attic windows that have not been properly blacked out, while he is running with the street gang called the Stäuber Dusters , conjures up two images at the same time, the breaking glass during Kristallnacht and the blacked-over bus windows behind which the disabled were gassed.

The parents in this fairy tale are completely inadequate providers. Den Wolf aber lenkte Däumeling mit klugen Worten in seines Vaters Haus und Vorratskammer und schlug dort Lärm, als der Wolf zu rauben gerade beginnen wollte.

Gene mene muh, raus musst du : Eugenik, von der Rassenhygiene zu den Gen

The intertextual reading between diverse cultural genres that is undertaken in this study enables one to see the diachronic fabric that holds cultures together and how certain symbols and mythological icons are transported and recycled through time and genre.
