About

Modern odes follow an irregular pattern and are not required to rhyme. Epitaphs commonly appear on gravestones, but they can also be humorous.

They can be written for a particular person, or treat the subject of loss more generally. The American Poetry Museum is an outreach museum that serves as a space for exhibitions and education centered on the subject of American poetry. I have just written my first Villanelle.

Educating children was a passion of mine. Everything dark and doorless, only my steps aware of me, I turning and turning among these corners which lead forever to the street where nobody waits for, nobody follows me, where I pursue a man who stumbles and rises and says when he sees me : nobody. My Thoughts and Feelings About Poetry I find great joy in the creative process.

BOOK REVIEWS There were no book reviews in this issue. I walk in blackness and I stumble and fall and rise, and I walk blind, my feet trampling the silent stones and the dry leaves. Epigram Epigrams are short, witty, and often satirical poems that usually take the form of a couplet or quatrain 2-4 lines in length.
