## Archives

These are just a few of the many resources we have available - see all of our online resources in.

## Search for Records

Finally, in 1695-7 it was bought by Charles, 1st Duke of Richmond and Lennox for £4,100.

## Library Collection

The basic history of the descent of each of these titles is given in the preface to the relevant section, and the reader is asked to refer to these before embarking on research on the original documents. In some cases it may not be possible, because the documents are too fragile, or because copyright laws prevent it.

## National Archives of South Africa (NASA) Database Selection

He entered the navy at the age of 13 in 1731, and was appointed to his first command, as Captain of HMS Russell, in 1745. It is 1,610 square miles, and is located in the southern part of the country. The country was then at war with France and Spain, and in 1747 Captain Buckle won national fame by capturing a Spanish man-of-war, the Glorioso, off Cape St Vincent.
