This time He overturned tables, threw chairs across the room, and left the place a decimated mess! How much more difficult it is to love and forgive someone who at one time confessed their love for us and then betrayed us? It represents many titles

Gospel of Jesus Christ

 **God**
The Bible explains that God created everything including us. He has the right to tell us how to live. Sin is the rejection of God's authority over us. God is loving, and He is righteous. He will not ignore sin and leave us guilty unpunished.

 **Man**
We rejected God and are guilty of sin. Sin has corrupted every part of our human existence. Our entire being is under sin's power. The penalty of sin is both physical and spiritual death. Our final destiny is eternal active judgment in hell.

 **Christ**
Jesus is fully God and man. He came to die on the cross as a substitute for His people and to pay sin's penalty. Jesus rose from the dead, assuring us that God's wrath is satisfied. Sinners can be freed from sin's power and reconciled with God.

 **Response**
We must turn away from our sin and trust in Jesus and nothing else to save us from sin and the coming judgment. When we repent and believe in Jesus, all our sin is placed on Jesus, and the perfect life Jesus lived is credited to us.

which have been given him The Hope of Israel Jer. After I had written the above paragraphs, I still did not know the scriptural title for Christ fulfilling this role.

'Son of God'

If people only understood and believed this, then they would make every effort to welcome the Kingdom of God into their lives, instead of looking in all the wrong places for the happiness and fulfillment they desire. This is evidenced not only by false doctrine, but also by a lack of love and the presence of all kinds of relational and personal sin. Come now therefore, and I will send thee unto Pharaoh, that thou mayest bring forth my people the children of Israel out of Egypt.

What is the gospel of Jesus Christ?

The Kingdom is truly present in a place to the extent that Christ is honored as Lord and his will done there.

Jesus in comparative mythology

Then His fame went throughout all Syria; and they brought to Him all sick people who were afflicted with various diseases and torments, and those who were demon-possessed, epileptics, and paralytics; and He healed them. But the indirect evidence of Scripture is equally compelling. Do you hurt along with others when they hurt physically, emotionally, and spiritually? Sorrow—at the ravages of sin and death.
