Growth

The whole wheel is cradled against the belly of a beast, surrounded by an eternal blue sky, the moon of nirvana, and lotus blossoms—all crafted in hues of indigo, orange, scarlet, and ivory. When the downward movement is arrested, the next obvious and logical step would be to give a new direction to your life, an upward direction towards spiritual nature, towards divinity, towards godliness. The God of Process Theology.

Reviews

This was the first step. But after three hundred years of failed experiments, outer alchemy was discredited. The Messiah who is Christ the Lord is the one whose birth into our reality fills that empty place—all of those empty places! This is also the definition of emptiness.

Job, Jonah and the Unconscious: A Psychological Interpretation of Evil and Spiritual Growth in the Old Testament by Michael Corey, Paperback

And sensual indulgence means indulgence by any of the five senses.

The Philosophy, Psychology and Practice of Yoga

Do you punch a bag? The Princess Lubimoff treated her relative well, although her friendship suffered sudden changes, often going from extreme affection to sudden coldness. American Masculine is packed tight with prose that borders on poetry and it is up to us to bring as much care and devotion to the act of reading that Ray did to the act of writing. In the space of just a couple of days, the news of the deaths of two life-long friends—one of which was somewhat expected, the other coming as a complete surprise.

In among willows, whitetop and star thistle, the river went forth bearing the sun. During her three years of married life the Duke had tried twice to divorce her. Each story tracks the thoughts of a man caught in the pain of his own ruin, one approaching the psychological turn that demands his hardness should end.

The Philosophy, Psychology and Practice of Yoga

There was not a single doctor among the spectators. Ray expertly lays out this story depicting this destructiveness, but also sowing the seed of retribution. Tapasya is a determined counter-attack against the habitual propensity of the senses to achieve satisfaction, to taste satisfaction.

The anatomy of this entire process, the mechanics of such obedience, such subservience, such surrender, is clear if you have the right perception and right vision of what you are doing.

BUDDHADHARMA : The Tao, Emptiness & Process Theology

Wayfaring is thus the pursuit of natural laws. But they are very dehumanising, very brutalizing. God invites us to peel back the layers of each page and discover how amazing the love of God can be! There was not a single item that suggested the harmonious course of an ordinary dinner.
