Indigo

Small crease in rear inner flap of dust jacket else Fine. Dust Jacket Condition: Very Good +. The types of boss found in Anglo-Saxon England have been divided into two main types on the basis of how they were manufactured.

Respect your Elders: Old Swords in Anglo

A survey of the sword in Anglo-Saxon historical records and poetry is followed by an exploration of descriptions of the sword, and of the parts of the sword, in Old Norse literature. French Reprinted by Librairie Orientaliste Paul Geuthner S.

The Anglo

In this, the iron was beaten into strips which were twisted together and then forge welded; this twisting action removed much surface slag which could cause weaknesses in the finished blade. An image of a man hunting birds using a sling appears on the lower margin of the Bayeux Tapestry.

The Sword in Anglo

British Series 155: The Metallography of Early Ferrous Edge Tools and Edged Weapons Oxford: B.
