Standards indexes

The IVSC Today The IVSC is a not for profit organisation incorporated in the USA, with its operational headquarters in London. Standards always represent an effort by some organized group of people.

ISBN Standard

This may optionally be followed by a dash and the last two digits of the year in which the standard was adopted. Retrieved 26 March 2019 — via Google Books.

ANSI

The computer generated 10,089 keyword lines for the 2,614 articles. A KWIC index is formed by sorting and aligning the words within an article title to allow each word except the in titles to be searchable alphabetically in the index. Key Word In Context, the most common format for concordance lines.

ANSI

Look at it to learn about the genre.
