Most NADB-R records consist of a document citation and other metadata but do not have the documents themselves uploaded.

Show Notes, Episode 15 — The Phenomena Podcast with Augusta Chapman

Digital Antiquity extends our knowledge of the human past and improves the management of our cultural heritage by permanently preserving digital archaeological data and supporting their discovery, access, and reuse. In addition to publishing its own journals, the division also provides traditional and digital publishing services to many client scholarly societies and associations. Native American Graves Protection and Repatriation Act, 25 U.

H. Marcus III

For over thirty years, The Public Historian has made its mark as the definitive voice of the public history profession, providing historians with the latest scholarship and applications from the field.
