## The Project Gutenberg E

Kimball's homophobic ideas went on to influence fellow church leaders and hundreds of thousands of followers. It constituted the north west part of the city, extending some distance along the river front, and back on to the height of land overlooking the river bottom.

## Crime Against Nature

In Illinois, even by 1880, the age of consent was only 10 years old. And thus with the sword and by bloodshed and with famine and plagues and earthquakes and the thunders of heaven and the vivid lightnings shall this nation and the nations of the earth be made to feel the chastening hand of an Almighty God until they are broken up and destroyed, and wasted away from under heaven, and no power can stay my hand. Neither Flynn nor Lyman mentioned this Constitution in their list of proposed constitutions.
