Despite the shortcomings in selection and listing mentioned above, we believe this guide will be useful to students in Japanese studies who are beginning a research project, or in need of a ready reference, and for librarians who are involved in a reference acquisitions program, or teaching a course on Japanese bibliography. Предназначается для широкого круга японистов, работающих с этим словарем, — преподавателей и студентов, слушателей курсов иностранных языков, читателей, изучающих японский язык самостоятельно, специалистов-востоковедов, практических работников и др. The kanshi writers were, indeed, precursors of early modern Japanese women educators and writers.
