The Problem of Human Trafficking

Unlike indirect rule, the colonial government did not convey orders through local elites, but rather oversaw administration directly.

China and Japan's Responses to the West in the 19th Century

This, in effect, avoided readdressing the basic injustice of colonial partition, while also reducing the likelihood of inter-state warfare as territorial boundaries were considered immutable by the international community.

The Great Divergence: China, Europe, and the Making of the Modern World Economy on JSTOR

But now the European Union is in survival mode and not ready for any adventures outside the EU borders. Government falls between the two. Retrieved from MLA Baraz, Yevgeniya.

The Failure of European Multiculturalism

. Europe, however, has some of the best, most extensive public transportation systems in the world. And even when new knowledge reduces uncertainty, controversies persist because not only facts, but also important interests and values, are at stake.
