Animal, Vegetable and John d Jones (June 1985 edition)

She had really wanted a steak. It's the first time they've all pulled together. But is it too late to reveal their true feelings? It's the first time they've all pulled together. But is it too late to reveal their true feelings? Her father ran his hands through his hair. He liked the thought of himself as an antidote to the world's new niceness.

His whining alone, he figured, had taken up countless hours of his valuable life.

The Animal, the Vegetable, and John D. Jones 9789994470310

Mud Blossom, in which Pap Blossom's dog Mud gets in big trouble when a pet hamster disappears. In this book, the dangerous situation works well enough, but also I think the story could have made its point just as well without putting a character in that situation. Since I haven't read this book in years, but I'm going to give it the best review for a children's book I know.
