### Canadian nationalism

. The problem, of course, for a short paper, is that providing the definitions is not straightforward. Canada is a strong performer in filling development gaps that exacerbate global inequality and vulnerability.

### Early Nationalism

But because these are deployed in defense of linguistic difference rather than chattel slavery, they don't suffer from the moral taint that they do in the American context.

### The Armageddon Factor: The Rise of Christian Nationalism in Canada

However loyal they have been as Canadians, many persons living in Western Canada especially in Alberta evince a pronounced loathing of Ontario and especially Toronto. My favorite stuff is the war news across the world; I enjoy it and wonder at the guys with the guns facing death and dealing it out in all kinds of far-off places from Mozambique to Somalia, from Iraq to Afghanistan, or anywhere else in the Third World, where small groups of characters start off with a little and end up in power, like the Taliban. This activity has borne fruit because the warmongers think they can rely on racist conservatives.

### Regionalism and Nationalism in Canada

Not only does this model of political economy put its faith in the efficiency of the unhindered free market, but neoliberal ideologues go further and wish to apply the liberal ideal of competition to areas that were hitherto not subject to the rules of the competitive free market, notably in the field of education, which is a domain of key importance in nurturing a nationalist sentiment.
