Voice in Rural Mexico

**Accountability Politics: Power and**

Campaigns for public accountability often win limited concessions at best, but they can leave cracks in the system that serve as handholds for subsequent efforts to open up the state to public scrutiny.

Senators serve six-year terms and deputies three-year terms; members of the cannot be reelected for the immediately succeeding term

**Accountability Politics : Power and Voice in Rural Mexico (2009)**

Citizens need greater political knowledge and awareness of rights and of agency as a first step to claiming rights and acting for themselves. See about how to correct material in RePEc. Do be advised that shipments may be delayed due to extra safety precautions implemented at our centers and delays with local shipping carriers.

**Citizen Participation and Accountability**

In the development field in recent years, increasing attention has been given to understanding and promoting methods which enable relatively powerless people to hold more powerful people, organisations and institutions to account. For those who look at issues of governance and development from the perspective of citizens, it is both the right and the responsibility of citizens to participate in accounting for themselves and in holding other actors to account.
