I am a photo artist based in Oakland California. Tamari or tamari shoyu is a Japanese sauce made from fermented soybeans. .

## Welcome to the TAMIU Email for Life

It's also vegan and gluten-free. Kikkoman brand regular tamari, however, is not gluten-free, though they do make one type of tamari that is gluten-free and clearly labeled as such. Feel free to for more information about my wall art for your home or business.

## Welcome

I am constantly learning and growing from this wonderful environment and enjoy the programs and opportunities that college life provides. The wheat in traditional soy sauce can impart a sharp, almost vinegar-like flavor that is absent in tamari.

## Tamari Law Group, LLC

We help small-scale farmers living in volcanic areas of Java, empowering them to nurture its highly fertile soil to grow better vegetables according to international organic standards, while implementing fair trade practices.
