## Sir Gawain and the Green Knight; Patience; Pearl by Unknown

Sir Walter Scott knew of this tradition when he wrote the haunting Arthurian narrative poem concerning an enchanted castle, The Bridal of Triermain in 1813, set, curiously, in the Lake District. The Vigil by , 1884 Many critics argue that Sir Gawain and the Green Knight should be viewed, above all, as a.

## Sir Gawain and the Green Knight

After Christmas came the harsh, bitter season of Lent, replacing meat with fish and other simple foods. The lord proposes the exchange game as a way to pass the time while Gawain waits to leave for the Green Chapel. complex, and all in all it's a worthy, intelligent story with lots to say and a damned good way of saying it.

### **Sir Gawain and the Green Knight; Patience; Pearl by Unknown**

It's a good conversation with some Gospel sprinkled in. I've heard about the Pearl Poet since high school, but for some strange reason had never read the Pearl Poet's Pearl.
