## Environment

Moreover, what is a well-recognised and significant impact in one region or type of environment may not be a problem elsewhere. CULTURED PITUITARY CELL GtH RESPONSE TO GnRH AT DIFFERENT STAGES OF RAINBOW TROUT OOGENESIS AND INFLUENCE OF STEROID HORMONES. Colorimetric Methods of Analysis, vol.

## Kernforschungsanlage Jülich [WorldCat Identities]

At the hospital, the West of Scotland medical and industrial communities came together to mend broken bodies with prosthetic technology, as well as physical and mental rehabilitation to prepare the limbless to re-enter the job market. In sediments that exhibit high rates of sulfate reduction, the super 13 C concentration of autogenic carbonates and C sub org decline.

## Environment

This event initiated global warming, biotic extinction and migration, and fundamental changes in the carbon and hydrological cycles that transformed the early Paleogene world. Children in the experimental condition were also introduced to an invisible Princess Alice and were told that she was watching during the games.

## Environment

AN: 4109561 166 of 313 TI: Fluxes and budgets of contaminants in the German Bight AU: Suendermann,-J.

**Ecodynamics : contributions to theoretical ecology : proceedings of an international workshop, held at the Nuclear Research Centre, Juelich, Fed. Rep. of Germany, 19**

We provide community metabolic data that indicate that large changes in CO<sub>2</sub> concentration can occur in coral reef waters via biogeochemical processes not directly associated with photosynthesis, respiration, calcification, and CaCO<sub>3</sub> dissolution. . VENTILATION, CARDIAC OUTPUT AND BLOOD RESPIRATORY PARAMETERS IN THE CARP, CYPRINUS CARPIO.

**Environment**

The advantages of the system are a two-step appeal which allows more persuasive information to be given; a graduated approach welcoming both the convinced and the more reluctant donors to the Centre; and the compiling of an index by means of the forms returned by the population.
