Situated next to the formidable , Yuan Shu's territory is also within striking range of's forces — who is certainly likely to lash out at Yuan Shu early on. Thereafter, the Xianbei pushed their way inside the and established extensive presence in China. Thereafter, Wu became inactive in politics.

### Pinyin (chino)

Most of his initial neighbors are relatively minor factions, who can be easily conquered to further increase Yuan Shao's power.

It falls to you whether to stand by your promise to Gongsun Zan and declare war on Han Fu thus improving your relations with the former or to use this opportunity to increase the size of your realm by taking Han Fu into your fold, confederating his faction in yours which will understandably upset Gongsun Zan.

### Runme Shaw

All this means that Yuan Shao is best suited to focusing on alliance gameplay, so always making sure to care about your diplomatic relationships, and to be involved with as many factions as possible while also building up large forces comprising military captains and their retinues is a wise choice.
