9 celebrities who have spoken about their experience of domestic abuse

In recent years, ever-present internet fandoms and social media have made A-list celebrities open to scrutiny in a way they've never been before, so it makes sense that many of these stars choose to hide their private lives and retreat behind carefully curated public personas.

The Psychological Consequences of Fame

They're a handful, but they're good boys. Exiting Irving Plaza following one Sunday service, Lentz and Mary struck up a conversation.
