## Summa theologia Halensis

The doctrine of Trent was erroneous because the medieval and early church was erroneous that relied on a faulty translation of the word justify, which only the reformers finally recovered. In that the will wills the end, it wills also the appropriate means, chooses freely and completes the consensus.

## 177820695

Justification is used by James to refer to something that takes place after one has come to faith. It would be a big challenge! So Trent was motivated to better define justification but instead defined a false theological answer. This cannot be otherwise acquired or grasped by any work, law or merit.

Significantly, sanctification has no bearing on justification.

### **summa : definition of summa and synonyms of summa (English)**

Thus in Reformation theology faith and obedience or righteousness are sharply and pedantically distinguished in a way that runs counter in my opinion to the biblical use of the word, as well as to how it is viewed in Catholic and Orthodox theology.
