### India: Bringing Clean Drinking Water to India's Villages

A student washes his hands after using the bathroom at El Tunino school. The construction of new facilities increased from 1950 to 1965 under the framework of large national development programs. If you DO decide to visit Nicaragua, here are some tips to help you on your way.

### Hoosick Falls Area

In developing countries, waterborne disease is still the principal water quality concern.

### The Failing Response to Arsenic in the Drinking Water of Bangladesh's Rural Poor

More than 136,000 people signed Jerry Ensminger's petition. Copy on file with Human Rights Watch. Based on the results of the review, we would decide whether further action is needed subject to discussion and agreement with DPHE.

### The Failing Response to Arsenic in the Drinking Water of Bangladesh's Rural Poor

In 2007 operating and administrative costs decreased by 10%. This is not the case. While skin abnormalities have long been considered hallmarks of chronic arsenic exposure, the vast majority of exposed individuals will not develop skin lesions but are still at risk of deadly diseases such as cancers, cardiovascular disease, and lung disease.

### India: Bringing Clean Drinking Water to India's Villages

And they can take those lessons home to their families. There have been efforts to supply safe drinking water to rural villagers, led by the Department of Public Health Engineering DPHE under the Ministry of Local Government, Rural Development and Cooperatives. They expect to start contacting residents and be in the field by late January, according to a media release.
