The Idea of Pakistan by Stephen Philip Cohen

. As the cabinet mission failed, the British government announced its intention to end the in 1946—47. The Balochistan Plateau lies in the west and the in the east.

Stephen Cohen, The Idea of Pakistan

After going though Muslim Zion, it is difficult not to agree with Faisal Devji when he argues that Pakistan is a nation without history, rejecting its past through the pursuit of a universalistic, de-territorialised Muslim identity as a means through which to construct its future. Pakistan is considered a and is one of the , a group of eleven countries that, along with the , have a high potential to become the world's largest economies in the 21st century.

Stephen Cohen, The Idea of Pakistan

Beginning in the 1990s there was a marked shift in traffic from rail to highways; dependence grew on roads after the introduction of in the country.

The Idea of Pakistan by Stephen Philip Cohen

Cohen also blames the politicians for being unable to make a state that fulfills basic obligations to its citizens.

Pakistan

. In Muslim Zion: Pakistan as a Political Idea, the argument Faisal Devji presents about the creation of Pakistan provides a framework within which the contradictions listed above can potentially be resolved.
