#### Ludwig Hoffmann Quartier Objektgesellschaft mbH & Co. KG, Liebenwalde

Hoffmann illuminates a capacious history of the political effects of Enlightenment concepts and practices in a century marked by nationalism, social discord, and religious conflict.

#### Ludwig HOFFMANN 1802

Using a wealth of archival sources previously unavailable, Stefan-Ludwig Hoffmann shows how Freemasonry became a social refuge for elevated and liberal-minded bourgeois men who felt attracted to its secret rituals and moral teachings. He received a BA in political science from Stanford University 1986 and a PhD in government from Cornell 1998. In 1895, the year it was completed, he returned to Berlin and that June married Marie Weisbach, a banker's daughter.

#### Human Rights and History \*

. Hoffmann engages fruitfully with a wide historiography covering themes such as masculinity and racism, he dissects the complex attitude of Freemasonry to Jews and Catholics, and he scrutinizes the attacks of its conservative, clerical, and antisemitic critics. In 1918, aged 23, he made his debut as an opera singer in the Staatstheater.

**Hoffmann, Ludwig, 1925**

My previous two books traced the afterlives of Enlightenment concepts and social practices sociability, cosmopolitanism in the long nineteenth century and their late twentieth-century resurgence. Recent Reviews Holly Case, *The Age of Questions*, *Journal of Modern History* forthcoming.
