Some terminology that may be used in this description includes: New A new book is a book previously not circulated to a buyer. Jean comments on some other aspects of his efficiency. Peter Medawar was an extremely successful scientist who won the Nobel Prize in 1960.

A Very Decided Preference: Life with Peter Medawar by J.S. Medawar

A friend and I helped Peter to his feet for his blessing we were about to receive. To anyone who knew Peter Medawar, OM, CH, FRS, only in later life, these are bizarre images. It excited much discussion when published in 1963.

N.W. Pirie · Medawar's Knack · LRB 27 September 1990

The respect for him expressed in this beautifully written account by his wife precludes mere pity, nor does she seek to idealize this already exceptional man.

A very decided preference : life with Peter Medawar

But in one sense this is also a perplexing book. Wives may, as in this book, be a little too reverential when they write about their husbands. He hated disorder: books and tools had to be in their proper places.

Nonfiction Book Review: A Very Decided Preference: Life with Peter Medawar by Jean Medawar, Author, J. S. Medawar, Author W. W. Norton & Company \$19.95 (256p) ISBN 978

Few people could have coped as smoothly as she did, or enjoyed the interleaved pleasures as much.

A very decided preference : life with Peter Medawar

Her father was a physician working in Cambridge. She joined , and earned her BSc in zoology in 1935. Hunting for things wasted time which could have been spent on work in the lab.

Jean Medawar

May contain limited notes, und. Her mother was an American from The other inclusion of doubtful value is a review of a book exposing the claim that mice which had been dabbed black in places with a felt-tipped pen had taken black skin grafts.
