Three of China's Mighty Men: Leaders of Chinese Church Under Persecution by Leslie Lyall

I was most interested in the description of Watchman Nee, who is quite well known by Christians in the West because of the numerous devotional type books published under his name most of them were actually transcribed lectures--Watchman Nee himself only wrote two books. They longed to see a truly Chinese pattern of church life firmly based on the New Testament concept of the Body of Christ.

In that sense, this book is useful, because it was written before that change, and gives a very helpful insight into the contrast. In Europe, it was represented most poignantly by the fall of the Berlin Wall. People suffered for their faith, often in brutal and cruel ways, yet God maintained their faith in remarkable ways.

Whilst there were many leaders of equally courageous stature in the church, three men have stood out in the 20th century. Some of this phenomenon can be attributed to the quality of leadership in the Church. When Christians from that era describe the Three Self movement as an agent of suppression, it is hard to argue with them.

Three of China's Mighty Men: Leaders of Chinese Church under persecution by Leslie Lyall

Whilst there were many leaders of equally courageous stature in the church, three men have stood out in the 20th century. But the general attitude is much more one of resignation to religion as a part of Chinese life.
