I genuinely think all our pets are giving me extra side-eye, like, how could you, think of those poor animals to which I say, shut up you fucking hypocrites, you totally eat meat.

OST Board & Foundation

Any other former vegetarians or vegans out there taking the Whole30 plunge? But for those imaginary readers who find themselves curious about an origin story, I am a television writer living and working in Los Angeles who has finally, finally, caved to the endless stream of euphoric hashtags and sun-drenched Instagrams and decided to give this whole Whole30 thing a whirl. Basically, you find a routine.
