## Fort McClellan and Toxic Exposures

In some states, performance of a voluntary cleanup releases the owner from future liability to the state for cleanup of preexisting contamination. For more on radon, see.

## Congress Hears Testimony From Executives On PFAS Contamination

This Agreement shall be binding on the parties hereto, their successors, assigns, heirs and legal representatives and all other persons claiming by, through or under them. CERCLA § 104 authorizes EPA to collect information from, and obtain access to, Federal facilities.

## Compensation for Toxic Substances Pollution: Michigan Case Study

CHAPTER V WORK SAFETY AND HEALTH Article 22 1 Any person who conducts B3 management activities is obliged to maintain the work safety and health. Preventive policies embodied in the Toxic Substances Control Act and the Resource Conservation and Recovery Act seek to control the release of harmful substances and limit the adverse effects of such substances on public health and the environment. Even naturally occurring substances can be toxic, such as , and.

## Comprehensive Environmental Response, Compensation, and Liability Act (CERCLA) and Federal Facilities

Deed Restrictions In certain jurisdictions, environmental laws may allow for the use of deed restrictions in place of costly remediation. As such, potential purchasers of real property should assess, to the extent they are able, the risk of migrating contamination and the sensitivity of adjacent property occupants to determine the likelihood of the purchaser becoming responsible for such liabilities.

## Hazardous Substances Sample Clauses

Any capitalized term utilized herein shall have the meaning as specified in the Security Deed, unless such term is otherwise specifically defined herein. As such, damages from a toxic mold claim could include repair costs, damages for loss of use of property or items, relocation expenses, depreciation of property value damages, and personal injury-related costs. §§ 1401-1450 , the Hazardous Materials Transportation Act 49 U.
