In the event, as frequently occurs, the report is not submitted in evidence by any of the parties, the judge may consider it as part of the record. Jackson 1912-1983 for the Democratic U.

**Charles II: The Court in Exile**

On inspection, a DSS social worker found the place run-down and dirty. His wealth made him welcome in Vanessa's eyes, but his code of what was right impelled him to go away and forget her, or at the most to think of her in the intervals of doing a great many other things. It does not appear that the judge gave undue weight to the opinions expressed in the report.
