### What is 'The Russian Soul'?

The plight of Anna Karenina, the submissiveness of serfs in the 16th and 17th centuries, ancient religious tracts emphasizing humility as the mother of virtues, the trauma of the Bolshevik revolution, the current economic upheavals wracking the country-- these are only a few of the symptoms of what The Slave Soul of Russia identifies as a veritable cult of suffering that has been centuries in the making. Writer and literary critic jointly coined the term upon the publication of Gogol's masterpiece in 1842.
