Zuhaili also supports the right of every Muslim to follow their own madhab (school of thought) based on their specific circumstances and conditions. He believes that it is wrong to force people to follow a particular madhab, even if it is the most popular one. He also believes that it is important to respect the opinions of others and to avoid unnecessary disputes. He has written several books on this topic, including "The Right of Every Muslim to Follow Their Own Madhab" (الحق في انتهاج المذهب الذي يناسبه) and "The Right of Every Muslim to Follow Their Own Madhab" (الحق في انتهاج المذهب الذي يناسبه).
