Leave a comment below and let me know! Give weekly nature walks a try! I praise the Lord for you and am so encouraged by your perseverance! AND Do you have any walking tips for fellow Spring100ers who are slightly behind? I am seeing so many cross the finish line and excited to see the rest of you hit that 100-mile goal!! The end is in sight and so many are there waiting to see us cross the finish line! A HUGE thank you to my family who has diligently help fold, package, and drop off these fabulous Charcoal, Pink, and Green T-shirts at the Post office!! He giveth power to the faint; and to them that have no might He increaseth strength. Gita has already finished her 100 miles for Spring100!! Keep your eyes set on the prize. Log miles walked May 3-May 9th! Rejoicing with you all over this accomplishment.
