What Is Cultural Hegemony?

With it, the Italian intellectual sought to undermine the economic determinism of historical materialism. Gramsci, however, being in prison, was unaware of this. A few days later, fascism was also a subject if not the preeminent one of the Fourth Congress, thanks to the two reports entrusted to Karl Radek and Bordiga.

Gramsci's Concept of Hegemony and its Relation to Marxist Theory

Although he wrote and studied vociferously, his health seriously deteriorated.

A Newly Rediscovered Article by Antonio Gramsci on the Fascists' March on Rome

The same concept of hegemony was also present in the work of Lenin. First, you break his legs, then you make a compromise from a condition of obvious superiority. GRAMSCI: But that is not a purely Italian phenomenon, however much in Italy, with its weaker capitalism, it had the greatest development; it is a European and world phenomenon, of great importance in understanding the general postwar crisis in the domain of practical activity and in the domain of ideas and culture.

What Is Cultural Hegemony?

What were the weaknesses of the Italian capitalist bourgeoisie before the war, weaknesses which brought about the creation of this masonic political system which existed in Italy, which had its greatest development in Giolittismo? In ; Harris, Laurence; ; eds.

Gramsci on Hegemony

The bourgeoisie was hegemonic because it protected some interests of the subaltern classes in order to get their support. His work also heavily influenced intellectual discourse on popular culture and scholarly in which many have found the potential for political or ideological resistance to dominant government and business interests.

Gramsci and the Italian state (1993 edition)

We do not know how his thoughts would have evolved because, due to his suffering in the fascist prisons, Gramsci died in 1937. JHI defines intellectual history expansively and ecumenically, including the histories of philosophy, of literature and the arts, of the natural and social sciences, of religion, and of political thought. His actions as a politician, activist, and intellectual were consistent with his ideas.
