## What You Need to Consider Before Having Kids

. Opportunities for Creativity Children need plenty of opportunities for creative play and creative thinking. Who has a different solution? Suggestions are offered as to how children and adults may differ in this domain, and an agenda for future research is offered.

### Think of the Children!

. If you grew up believing that parenthood was the only option once you grew up, take a moment and consider what it would mean for your life if you did not have children.

### How to Decide Whether or Not to Have a Baby: 12 Steps

Rebecca is a member of the Cognitive Behavioral Therapy Society of America and The National Association of Social Workers. X Research source Since you have not been a parent before, you might not know how you will handle every situation. New York: David Mackay Dains, D.

### Ages & Stages: How Children Use Magical Thinking

The world is a mystical place, and babies have a fragile understanding of the difference between animate and inanimate objects.

### The Whole Child

The Myth of Evil: Demonizing the Enemy. At clean-up time, have him put the cars on one shelf and books on another.
