**Constitutional Choices by Laurence H. Tribe, Paperback**

Should you hold an auction and accept the most attractive offer? Not a single word from either him or the hundreds of faculty members, administrators, and dozens academic departments I sent this essay to.... His Revolution comes out of a royalist, not a parliamentarian, tradition. As such, the college did not have the power to imprison Bonham, who was accused of practising without a licence, not of practising dangerously.

**Feldman's essay selected for anthology**

Provides page images of back issues of the core scholarly journals in the humanities, social sciences, and basic sciences from the earliest issues to within a few years of current publication.

**Essay Letter to Megan Brown**

Today's increasingly competitive marketplace is filled with business transactions that include elements of both negotiations and auctions, yet the received wisdom on deal-making treats these two mechanisms separately. Statutory interpretation allows for the ignoring of unjust extraneous meanings, but what Coke did was nullify the statute as a whole, along with its main intention.

**Law and Society**

The process of execution is also examined, bringing to light the dark occasions when executions were botched and covered up. Instead, it used his beliefs to indicate a general tendency for violence.

**Kimberlé W. Crenshaw**

Kings or People: Power and the Mandate to Rule.

## **IN MEMORIAM: RONALD DWORAKIN on JSTOR**

Mendlow , Essay , Why Is It Wrong to Punish Thought? It does not turn its back on the circumstances of the material world or give any succour to those who wish to view the present and the future through the lens of fantasies about the transformative possibilities offered by conventional politics... Butler demonstrates a clear engagement with an aspect of the world that is becoming in many political contexts almost illicit to discuss: the idea that capitalism, certainly in its neoliberal form, is failing to provide a liveable life for the majority of human beings.

### **Guhan Subramanian**

Furthermore, we find that the shareholders of targets that remained independent were made worse off compared with accepting the bid and that ESBs did not provide sufficient countervailing benefits in terms of increased premiums to offset the costs of remaining independent.
