Business Restructuring. An Action Template for Reducing Cost and Growing Profit. Edition No. 1

Notes Chapter 6: Executing the Framework 89 Moving from Conscious Incompetence to Conscious Competence Organizational Efficiency Business Process Improvement Business Process Outsourcing Business Process Outsourcing as a Key Enabler for Restructuring Notes Chapter 7: Leadership Essentials for Success 143 Do You Have What It Takes? Plans versus People Keirsey Temperament Sorter Implication 1: Certain Leaders Have Certain Talents Implication 2: Changing a Leader to Fit Implication 3: Assessing and Aligning for the Right Roles Case Study: Can We Compete in This Arena? Bought this book because of my interest in business restructuring and got what i wanted, this book contains a good and detailed template for restructuring companies, after reading i could understand the basics where to check for problems and how to do that the right way, and how to implement changes, for me as a student it was maybe a little bit too complicated because i am not used to work in huge companies and some of the processes was not clear to me, but i could understand most of it anyway, as it is said on the cover, the book is for senior managers and vice presidents and they get what they deserve. Understand business restructuring and cost reduction techniques.
