### A World of Knowing: A Story about Thomas

So I wanted to read a little about it. In his Plan of a Seminary for the Education of Instructors of Youth 1825 , he proposed special schools for the professional training of teachers.

### Thomas Hopkins Gallaudet

When Thomas met Alice Cogswell, a little girl who was deaf, he decided to go to Europe to study deaf education and became a teacher. También analiza las calificaciones para verificar su fiabilidad. Like bilingual, I believe this should be taught in schools, you never know if a student may be deaf, or speaks of another language.

### A world of knowing : a story about Thomas Hopkins Gallaudet

Thomas Hopkins Gallaudet, born Dec. The signs he learned developed into American Sign Language and helped his students to leave their isolation behind. So grateful he sought the knowledge to change their opportunities and both he and Alice's father recognized that there is nothing wrong with the intellect of those who cannot hear, only their method of communicating.

### A World of Knowing: A Story About Thomas Hopkins Gallaudet

Please consult the store to determine exact fees. I have an interest in deaf culture and American Sign Language and it's great to know where ASL began and learn about the founder of the 1st deaf college.

**0876149549**

I had no idea how American Sign Language or schools for the deaf came about.
